Dear Ms. Carter:

The Mississippi Republican Party (C00084368) received the Federal Election Commission's request for additional information ("RFAI"), dated March 4, 2011, regarding the committee's 30 Day Post-General Report (10/14/2010 - 11/22/2010).

With respect to the expenditures made for the FEC GOTV activities referenced in the RFAI, the committee inadvertently did not disclose the candidate(s) that the respective activities should have been attributed to. The committee had included this information in its database, but this particular information was not properly imported into the 30 Day Post-General Report when the report was generated. The committee did not notice the issue prior to filing the report. The committee is amending the 30 Day Post-General Report to disclose the candidate(s) that the respective activities should have been attributed to.

These expenditures are considered FEA GOTV activity and, as such, are correctly reported on line (30b).

With respect to the expenditures made on line 25 Schedule F, the committee included this candidate information in its database, but this information was not properly imported into the 30 Day Post-General Report when the report was generated. The committee did not notice the issue prior to filing the report. The committee is amending the 30 Day Post-General Report to disclose the candidate(s) that the respective coordinated expenditures should have been attributed to.

Sincerely,

Arnie Hederman  
Treasurer Mississippi Republican Party
